

What do I do with my valuable items

Written by Bruce Kingdom

We suggest that you do not bring too many valuable items in the first place. It is safer to leave them at home. If you do bring valuable items such as mobile phones, cameras etc we provide your team with a locker to store these. We do not allow you to take them on the field and if you ignore this and lose the item it is your responsibility. We do not search for lost items or hold the fields open after play to let you do it either.
